### EXPERIENCE

#### GRAPHIC DESIGNER & PHOTOGRAPHER

*National Inventors Hall of Fame | March 2024 - Present*

I currently take a lead role in shaping the creative direction for national, educational initiatives. From early concept development to final delivery, I guide the visual strategy behind print, digital, and video assets for Camp Invention programs.

I also provided art direction for photo shoots, craft multi-platform design assets, and help evolve the overall brand aesthetic.

#### PRODUCTION ARTIST

*Arhaus | 2022 - March 2024*

I supported the marketing team by producing precise, brand-aligned visual assets for in-store and digital projects. My role involved transforming design concepts into polished, production-ready materials, optimizing imagery for e-commerce, and maintaining consistency across large volumes of content.

I collaborated closely with designers and art directors to ensure every asset met brand standards while keeping workflows efficient and organized.

#### HANDWRITING ARTIST

*Punkpost Inc. | 2020 - 2024*

As a freelance handwriting artist, I created custom hand-lettered messages for greeting cards. I adapted my lettering style to fit the tone of each order and worked independently to deliver expressive pieces that matched customer sentiment.

#### GRAPHIC DESIGNERS & PHOTOGRAPHER

*P. Graham Dunn. | 2019 - December 2021*

As part of the marketing team, I designed visual assets across print and digital channels—including product catalogs, magazine advertisements, email campaigns, and web imagery. I also photographed and edited product photography, helping shape the brand's visual presence through consistent styling and attention to detail.

### EDUCATION

#### BACHELOR OF ARTS AND ASSOCIATE OF ARTS

*Kent State University | 2015 - 2019*

Major: Visual Communication Design

Minor: Photo-Illustration

GPA: 3.6

### AWARDS

#### AAF AKRON VOLUNTEER OF THE YEAR AWARD

*Awarded in 2025*

Co-Designer for the ADrenaline Addy's Show theme for 2025.
